1. Education

- 1963 Qualification for University: Bundesrealschule Wr. Neustadt
1966 Diploma, Vienna University for Economics and Business
1972 PhD, Vienna University for Economics and Business

2. Academic and Professional Career

2.1. Academic Career

- 1967 - 1978 **Research Assistant** Institute of Mercantile Trade
1978 - 1980 Head of Department Management Science and Operations Research, Institute of Advanced Studies in Vienna
1992 -1997 **Visiting Professor** for "High Tech Marketing / Technology Marketing" Department of Marketing, WU-Wien
1997 ongoing **Univ.Prof h.c.** with academic lectureship Marketing with focus Technology Marketing and High Tech Marketing mit akademischer
seit 1998 Founder and Member of Management Board of Research Association "HiTec Marketing" (www.hitec.at)
2008-2014 **Univ.Lecturer** University of Technology, Institute of Applied Physics.
2009-2015 **Univ.Lecturer** Innovation Marketing CAMPUS 02, Applied University Graz

2.2. Professional Career

- 1979 - 1980 Foundation and development of Management Consulting Ltd
1980 Transfer of Management Consulting Ltd into CONSTANTIA Industrial Group
1980-1989 Managing Director of the Management Consulting Group, responsible for New Business Development and New Technologies (Microprocessors, harsh environment solutions, intrinsically safe electronic equipment, robotics, models based programming), restructuring consulting projects.
1990 to 2002 Managing Partner of Management Consulting Company
1990 to 1993 Chief Representative of Supervisory Board for Restructuring an Industrial Group
2002 to 2006 Managing Partner of Trust & Value UnternehmensBeratung GmbH
1998 - 2020 Founding Partner of TU - Spin Off's Imagination Computerservices GmbH www.imagination.at since 2016 <https://www.humai.tech>)
1998 ongoing: Early Investor and Shareholder of TTTech AG (www.tttech.com)
2002 to 2018 Deputy Head of Supervisory Board of FREQUENTIS AG (www.frequentis.com)
2018 ongoing Deputy Head of Supervisory Board FREQUENTIS Group HoldingGmbH
2007 to 2012 Head of advisory board IC High Tech Europe IV and
2007 to 2012 Member of advisory Board IC Europe III
2002 to 2015 Member of project advisory board INITS <http://www.inits.at/en/>
2015 ongoing Head of project advisory board INITS
2017 ongoing Member of the Vienna Economic Cercle [Wiener Wirtschaftskreis - WKO.at](#)
2018 ongoing Member of Advisory Board „Innovation and Technology“ of Austrian Industrial Group
2019 ongoing Member of 5G Technology Acceptance Expert Group City of Vienna
2019 ongoing Member of Scientific Board of Research Studios Austria [RSA FG | Research Studios Austria FG](#)
2020 ongoing Member of Executive Board of Private Foundation

3. Activities as Guest-Teacher and Guest-Researcher

3.1. Vienna University of Economics and Business

1967 - 1980	Quantitative Methods
1971 - 1979	Business Games in Marketing
1967 - 1978	Assistance in Seminar "Trading"
1972 - 1978	Assistance in PhD Research Seminar
1972 - 1978	Marketing cases Studies (B2B and B2C)
1979 - 1980	"Investment- and Finance Decisions under Uncertainty"
1969 - 1980	Coaching and Assistance of numerous Diploma, Master and Doctoral Dissertations/PhD

3.2. University of St. Gallen, Switzerland

1974 Guest Lecture in Operations Research: „OR Models for optimization in selective selling policy“

3.3. Institute for Advanced Studies and Scientific Research, Vienna

Own Teaching Program:

a) Lecture:

“Fuzzy Logic and OR Models”

“Time Series and selected Forecasting Models”

“Decision Theory”

b) Research Seminar “Operations Research applications and Management Science”

c) Project Seminar “Interdisciplinary Operations Research Applications”

Focus on:

- Road Tunnel Construction and Tunnel Operation together with University of Technology in Graz
- O2- Ionizer (together with Nuclear Research Institute of Austrian Universities)
- Compliance and Hypertonia (together with Austrian Cardiologic Research Group)

3.4. University of Klagenfurt / Austria

1982 - 1983 “Quantitative Methods in Marketing” Lecture

3.5. Carnegie Mellon Universität in Pittsburgh/PA, dep. for mechanical engineering

1987 Working group “modelbased programming of robots”, to multilayer welding with robots (GMF) 1 week

1991 Working group “modelbased reasoning and expert systems technology” application of nexpert object (Neuron Data/ Palo Alto/CA) 1 week

3.6. Vienna University of Economics and Business

1992 to 1997 Guest Professor: “Technology Marketing and High Tech Marketing” Lecture for Master students

1997 to 2020 Honorary Professor with academic Lectureship for “Technology Marketing and High Tech Marketing”

3.7. Applied University Wien

1999 - 2002 Guest Lecture “Technology Marketing and Business to Business Marketing“

3.8. University of Technology Vienna/ AT

2008 – 2015 Technology Marketing, Project Seminar (together with Herbert Störi, S. Fuchs (until 2014), W. Schildorfer until 2015) at Institute of Applied Physics, interdisciplinary teaching together with University of Economics, Institute of Marketing Management.

3.9. Applied University of Technology CAMPUS02, Graz:

2009 to 2016: Marketing of High Tech Innovation (together with S.Fuchs, and W. Schildorfer)

3.10. Instituto Technologico de Monterey, Mexico.:

From Oct, 25. To Nov. 8., 2013: Research and Teaching on Transfer of Technology and Absorptive Capacity.
Campus Ciudad de Mexico and Campus Puebla as part of **Erasmus Mundus Projektes REALITY**.

4. Memberships

4.1. in scientific/ industrial Responsibility

- Austrian Association of Cybernetics
- Austrian Association of Operations Research
- Austrian Association for Pattern Recognition
- Austrian Association of Eelding Technology. (to 1993)
- Member of Advisory Board for Intellectual Property Right Exploitation as representative of Vienna University of Economics and Business (1999 to 2004)
- Member of German Association of Locating and Navigation
- Member of Austrian Association for Navigation
- Member of Visiting Professors' College of Slowakian Technical University (since 2014)
- Member of Scientific Board of m-sphere des wissenschaftlichen Beirats von m-sphere Conference (since 2013)
- Member, Reviewer and Lecturer for PICMET 2014, PICMET 2015, PICMET 2016, PICMET 2017, PICMET 2018, PICMET 2019, PICMET 2020, PICMET 2021
- Member of Vienna Expert Circle of Economy (since 2017)
- IEEE Membership
- Elected Member of scientific-industrial Board of Research Studios Austria (since 2020).
- AAAS Mitglied since 2020 **American Association for the Advancement of Science**

4.2. Membership in Scientific Publisher Boards

1978-1980	Social Science Annals of The Institute of Advanced Studies, Vienna (G)
1979-1982	Zeitschrift für Operations Research Serie B "Praxis" (G)
1995-2000	EDP magazine "Output" (G)
2016-2018	Mitglied des wissenschaftlichen Herausgeber-Beirats der neuen Fachzeitschrift ENTERPRISE MANAGEMENT" in Polen. (G/E)
